 Property Description

**Nice established home located one block from Emerson Elementary School. Home offers 1363 square feet of living space spread out among the three good-sized bedrooms. Check out the room dimensions! New roof and water heater in 2015, new sewer tap in 2013. Oversized one-car detached carport with electricity could easily be converted back into garage. Seller still putting finishing touches on home - ask about allowance for flooring/decorating. Fresh paint just about everywhere. Home was built in 1898 and is not "perfect" but very livable. Being sold as-is. Gas furnace, gas stove, and gas waterheater. Property is broker owned. GREAT VALUE AT THIS PRICE.**
