

Cold Night Out

This winter season, local churches are being asked to help the homeless by providing them a place to stay overnight when the temperature outside nears 32 degrees. Churches are being asked to do this in one-week commitments.

All guests needing a place to stay overnight (8-12 people expected) will be pre-screened at The Alley; where they will also receive their dinner meal. They will be transported from there to the host church; where they will be able to spend the night. The guests will get up early, be given a breakfast (nothing elaborate expected) a sack lunch, then be on their way by 7:30am; whether back to The Alley or to school, or elsewhere.

When guests sign up, they will be required to watch a video outlining what is expected of them as guests in the host church.

This can work, but only with your help. You are being asked to volunteer to shine some light into the life of a homeless person or family.

Please volunteer, using this form. If you have this form as a PDF, please send it to your friends and your circle of influence. Shine Gods' light one candle at a time!
